

Family fun at home!

Let's go on our own plane journey!

- **As Captain, welcome your passengers onboard** – Use your parents, brothers, sisters, friends and toys
- **Sit your passengers down and make them comfortable** – Make sure their seatbelts are on
- **Fly your plane high into the sky** – Make loud engine noises as you take off
- **Now it's time to eat and drink** – Make your passengers their favourite snacks and drinks
- **Time for Landing** – Sit everyone back in their seats and fly back to the ground

Where have you flown to? What adventures can you have in your new holiday destination? Where will you fly to next?

Make your own Musical Castanets

Make some homemade castanets using folded card and stuck on bottle caps

- **Play Along** – Use your castanets to play along to music from our Stoller Story Sounds playlist
- **Call and response** – Choose a leader to play a rhythm on their castanets. Can you copy the rhythm by stamping your feet or clapping your hands?
- **Pretend to be a flamenco dancer** – A leader plays their castanets, and the dancer must follow the rhythm, however fast or slow the leader plays!

If you don't have time to make castanets... you can just use clapping or stamping!

Family fun at home!

Make your own Paper Guitar

You will need:

- ☑ A cardboard box/tissue box
- ☑ Thick elastic bands
- ☑ 2 pencils
- ☑ Scissors
- ☑ Sticky tape
- ☑ A toilet roll/kitchen roll tube

Instructions:

1. Cut a circular hole in the largest flat surface of your cardboard box. A tissue box has the hole already
2. Stick a pencil either side of the hole using tape. Anything that lifts the elastic bands from the box works well
3. Wrap your elastic bands lengthways over your box. Different elastic band thickness create different sound
4. Cut a hole on the top of your box. To fit your kitchen/toilet roll tube
5. Push the tube into the hole. You can roll more elastic bands down the tube to make the frets

Your guitar is ready to pluck, strum, pick and play! Why not play and sing Helena's Holiday song?

**Don't forget to give our
playlist inspired by Stoller
Hall family events a listen!**
