

Family fun at home!

Gallop like Helena the Horse!

- Stand at one side of a room
- Count down 3,2,1...
- On 1, skip and gallop across the room like Helena the Horse
- Let's do that again! But this time can you...
 - › Hop over a fence?
 - › Duck under a branch?
 - › Splash through a river?

Can you come up with your own obstacles you might find?

Roar like a Bear!

- Stand at one side of a room
- Count down 3,2,1...
- On 1, using a deep low voice say 'GIVE ME FOOD' and ROAR like a bear!
- Let's do that again! But this time can you...
 - › Speak and ROAR quietly?
 - › Speak and ROAR in a squeaky voice?
 - › Speak and ROAR like your really scared?

What other voices can you use?

Family fun at home!

Make a home for your pinecone hedgehog!

In your garden or nearby park, find some sticks and leaves and building materials... different colour leaves, conkers, acorns...

At Home:

- Fold a piece of card in half then unfold and lay flat
- Using glue, decorate each side of the fold with your leaves and materials
- Once dry, refold your card in half and stand into a pyramid
- You can use twigs and sticks to help it stand and decorate around the bottom
- Then your pinecone hedgehog can play in his new home!

Can you play hide and seek with your pinecone hedgehog in their new home?

What other games could you play?

Go on a sound hunt!

In your garden, nearby park or inside your home. Can you find things which you can use to make different animal sounds?

- Baking paper could be a hedgehog rustling through leaves
- Splashes in a puddle could be a beaver building in the river

What other animals can you find sounds for?

**Don't forget to give our
playlist inspired by Stoller
Hall family events a listen!**
